

- World's first glass Carboy with 83B and 120mm caps
- Sizes range from 5 L - 50 L
- Large, visible writing surface on bottle for additional labeling; white graduations for identification of approximate volume; retrace code for identification
- Borosil® 3.3 Borosilicate Glass is mechanically strong, chemically resistant, and withstands thermal shock
- Bottle, VersaCap®, and Pouring Ring are autoclavable and comply with USP-VI standards

The PUREGRIP® Glass Carboy encompasses the latest offering in Foxx's collaboration with Borosil®. Combining the quality of Borosil® glassware with Foxx's innovative, user-focused designs, PUREGRIP® Carboys are the first ever 83mm Glass Carboy on the market. This product line features the largest writing surfaces and visible graduations on a glass carboy, while including our patented VersaCap® made from Class VI, Animal Free, Polypropylene.

A platinum-cured silicone O-ring ensures our leak-proof seal while the large handles with finger grips allow for easy tightening and opening. Our Open VersaCap® technology, sold separately, is also compatible with a variety of adapter inserts, enabling users to quickly change top connections to match their application needs. This product line is autoclavable and sterilizable.

- 1 Frosted surface on top of cap for convenient labeling
- 2 Patented VersaCap® is leak-proof, has replaceable platinum-cured silicone gaskets, and provides the ultimate in top-connection flexibility
- 3 USP Class VI, Animal-Free Polypropylene VersaCap® and Platinum Cured Silicone Gasket for leakproof, drip-free experience
- 4 Sloped shoulders for smooth, natural pouring motion
- 5 Largest enamel in the industry for additional labeling; white graduations for identification of approximate volume; retrace code for identification
- 6 Easy to read graduation marks

PUREGRIP® is a registered trademark of Foxx Life Sciences.
